Happy Hour starts at 3PM, so that's the official start time for pulling the flag stick at the 19<sup>th</sup>, but feel free to arrive sooner to practice your hoisting stroke as some did last year!

## **Suggestions:**

Bring a water bottle to refill at water stations along the course. Water is not available at every hole. Stay hydrated!

There is a Half-Way House where you can pick up a brew and some eats and snacks. There is also a restroom at the Half-Way House, the only on-course relief station. If necessary, talking to a tree is a reasonable alternative.

Let's have a safe good time. Golf Commissioner Murphy would have made a great confessor because he is so lenient and forgiving. So don't play it where it lies if life or limb is in danger, or if you may stain your slacks.
