

**When you were a student, passing notes to your classmates could land you in JUG.**

**But for alumni, it's not just allowed...  
it's encouraged!**

We're currently working to bring you the Fall 2017 edition of Prep Magazine, and we're looking for *your* Class Notes to share in the Alumni section!

Have you recently started a new job? Finished a degree? Celebrated a wedding? Welcomed a new son or daughter? Whatever is new in your corner of the world, we'll bet your friends from Grand & Warren would love to hear about it! Just drop us a line before **August 15**, and we'll share your updates in the fall issue!

**You can also email your notes – and any photos you'd like us to include! – to [communications@spprep.org](mailto:communications@spprep.org)**
