FW: Denis Howe memorial mass

Everyone

Please see the attached note from Fr. Vince Sullivan who will be offering a memorial mass for Denis Howe on May 26th at 7:30 pm. As you can see, Fr. Sullivan has been attempting to ascertain the whereabouts of his body, but under NJ Law, apparently that is almost impossible if you are not family. He does have a brother who is alive, but he has been battling demons for most of his life. If you can find time to attend, it would be greatly appreciated. Denis was a very quiet and reserved person whose intelligence spoke volumes but was also very humble. I believe that he received his masters and doctorate from the University of Pennsylvania, and he was a generous donor to the Prep. Truly a man for others!

Joe

Hi, Jim,

I don't remember if it was you or someone else from the Prep who had inquired about Denis Howe.

Denis was an alumnus of the Prep, and a life long member of St. Aedan's. He died in December, but there was no family to claim the body. I still don't know where that stands. However, I am planning to have a Memorial Mass for Denis on Friday, May 26th at 7:30 pm at St. Aedan's.

Just want to give this to you for your information. If there is someone else who should know about it, can you pass it on?

Thanks!

Vinny Sullivan
