I'd also like to add from the Prep Class of 1973 to our Prep brothers in the Class of 1962 and all their loved ones a very MERRY CHRISTMAS and HAPPY HANUKKAH to our Jewish Prepsters.

And thanks for making me a honorary member of the Class of 1962.

All God Blessings.

Interestingly, we're the Class of '62, and this is Bob's 62nd year.

Additionally, we're all (well almost all) 73 this year and Bob's the Class of '73!

Destined to be together in a unique way!!
