

Victor

Chirichilla, '17

*Greetings of the season and warm wishes
for a Happy New Year.*

Dear Benefactors,

My name is Victor Chirichella of the class of 2017. The school year is going quite well for me so far. I have maintained good grades in all of my classes. My favorite subjects are English and Algebra and I enjoy attending Italian Club and Stock Market Club. I am also beginning to think about colleges and that is a very interesting and nerve-racking process. None of this would have been remotely possible without your generous contributions. You have allowed me to continue my studies at Saint Peter's Prep and now I can even look towards the future. Words can't express how grateful I truly am. I would like to wish you and your families a safe and Merry Christmas

Sincerely,
Victor Chirichella
